More Than Gold

Album 31 Song 4

Song 4 More than gold, even much fine gold

Psalm 119:121-128 (Ayin) – The psalmist loves God's commandments more than gold and fine gold. He asks for protection from the proud, understanding, and grace to walk rightly while rejecting every false way.

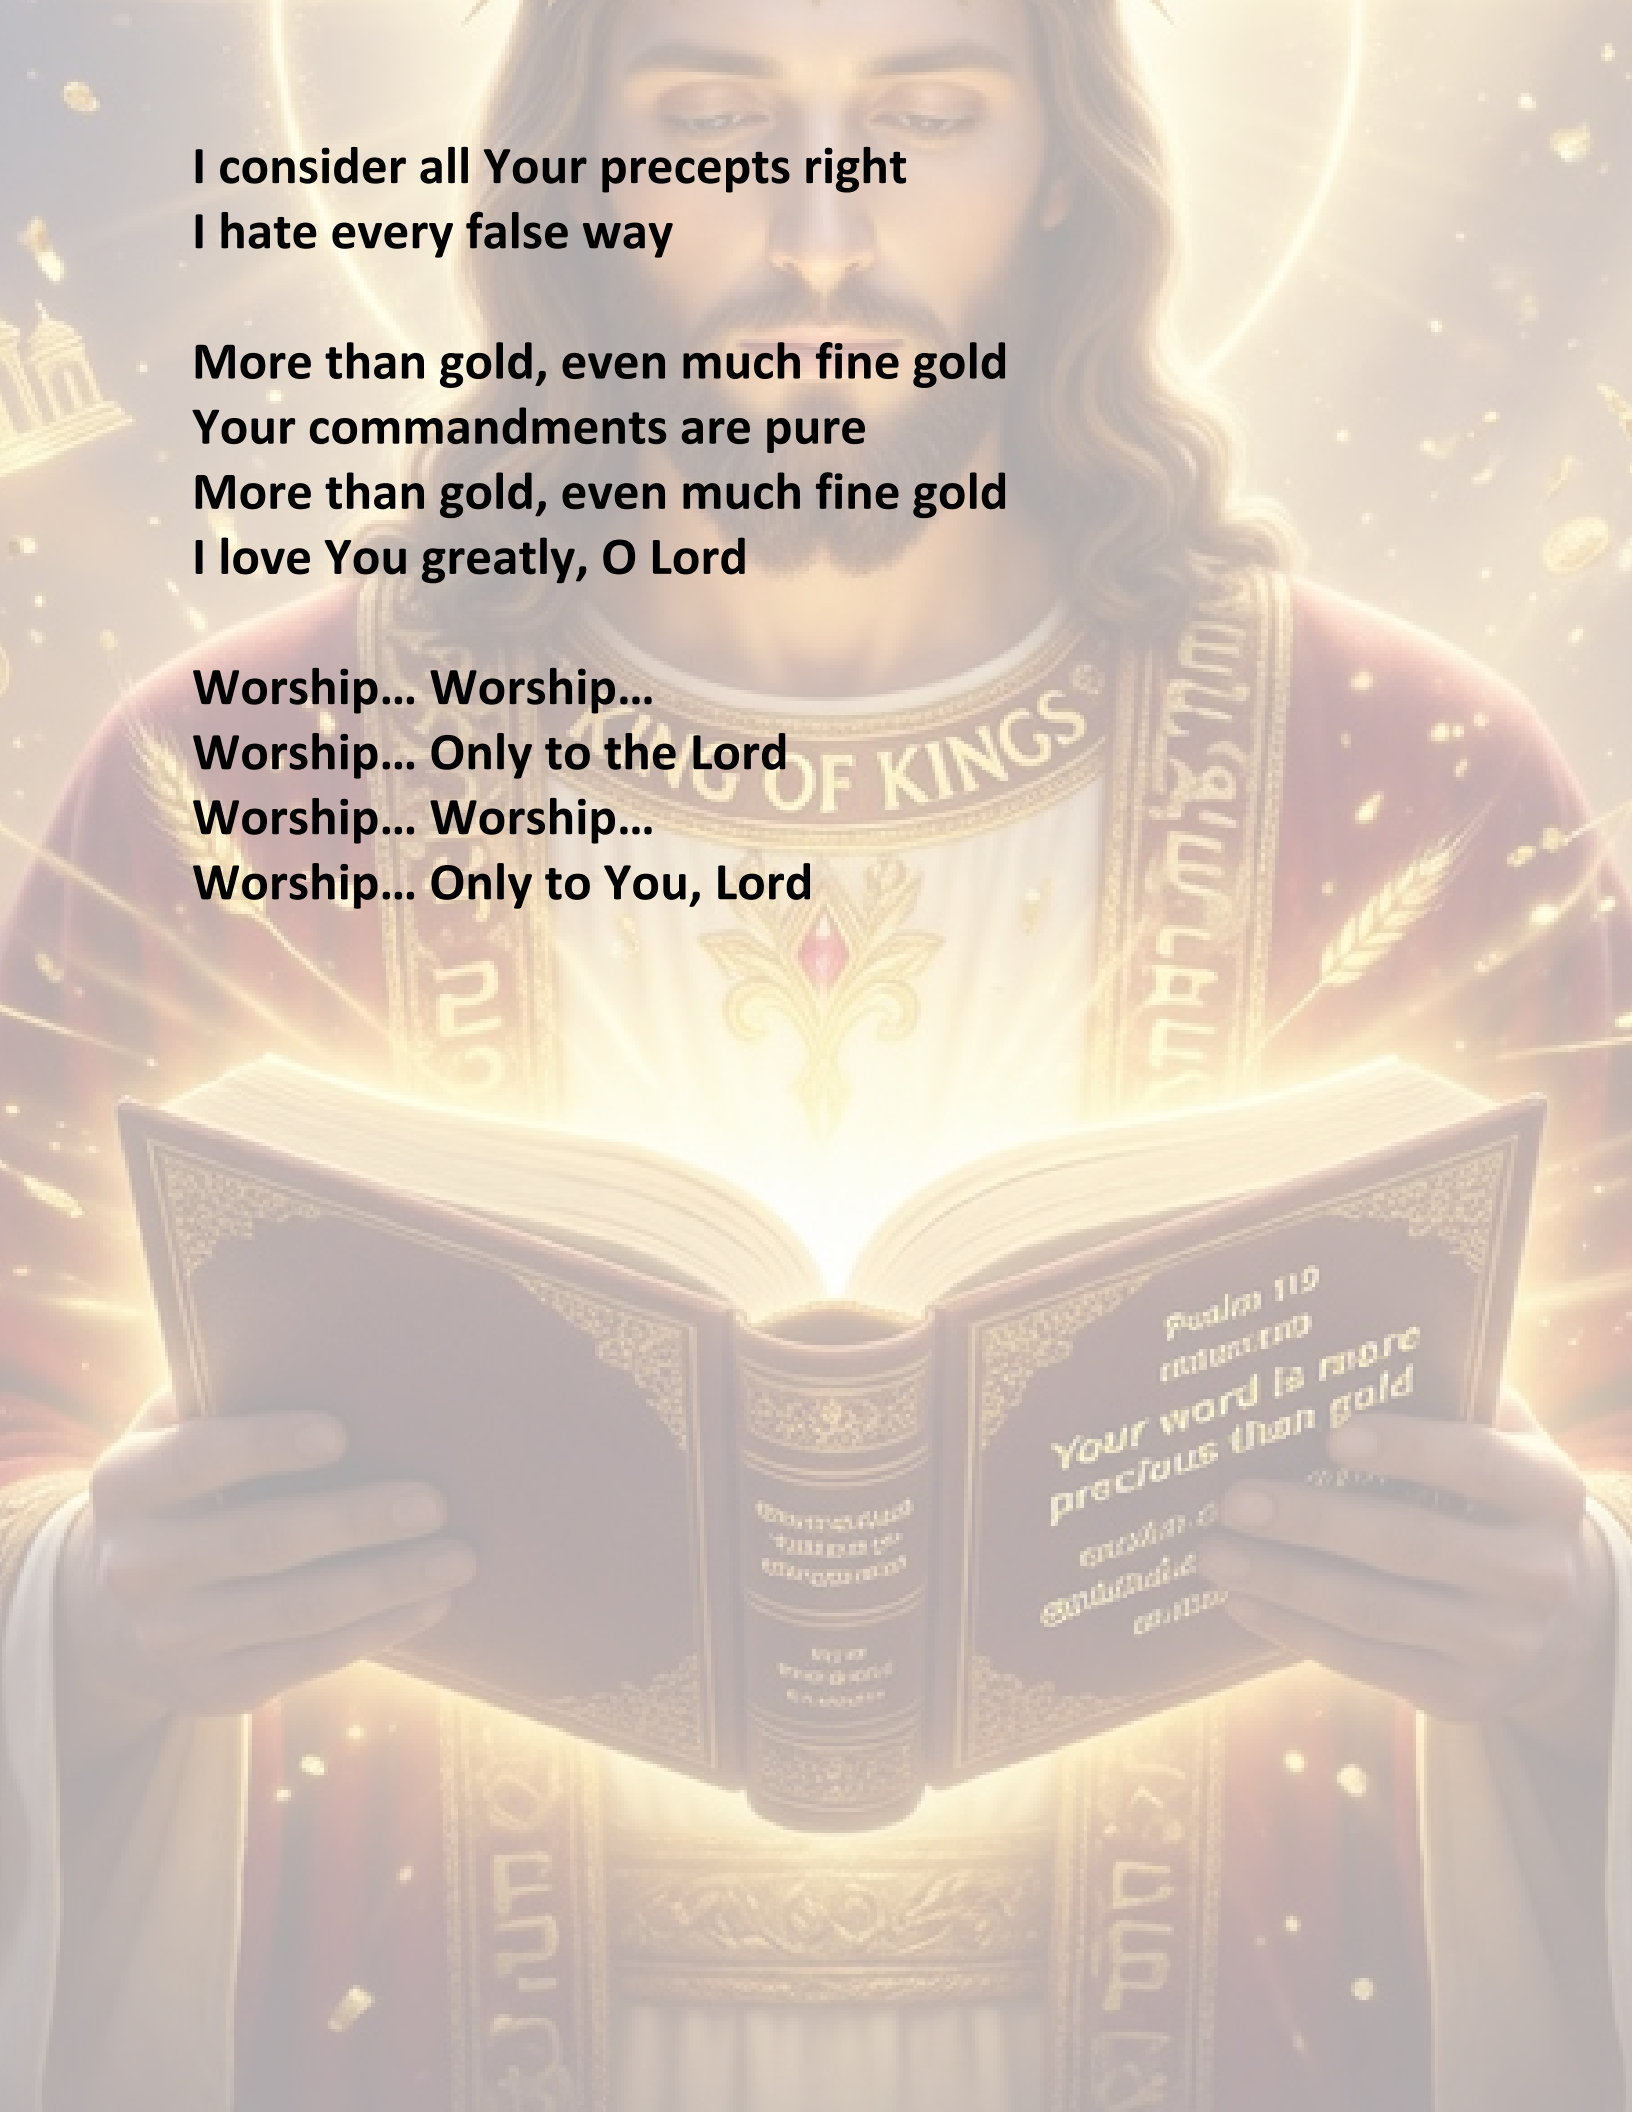
More than gold, even much fine gold
Your commandments are pure
More than gold, even much fine gold
I love You greatly, O Lord

More than gold, even much fine gold
Your commandments are pure
More than gold, even much fine gold
I love You greatly, O Lord

Be surety for Your servant for good
Let not the proud oppress me
Deal with Your servant according to Your mercy
And teach me Your statutes

More than gold, even much fine gold
Your commandments are pure
More than gold, even much fine gold
I love You greatly, O Lord

Give me understanding that I may know Your testimonies
Make me walk according to Your salvation
And fill me with Your righteous words



I consider all Your precepts right
I hate every false way

More than gold, even much fine gold
Your commandments are pure
More than gold, even much fine gold
I love You greatly, O Lord
